11TH JULY 2021

15TH SUNDAY OF ORDINARY TIME – Year B

Sea Sunday Message 2021

Fr Mark writes:

As we mark Sea Sunday this year, please find below an extract from the Vatican Message shared by Cardinal Turkson:

“We are celebrating the second Sea Sunday against the background of the COVID-19 pandemic. The world may have come to a standstill but the ships have never stopped sailing from port to port delivering critical medical equipment and medicines to support the fight against the spread of the virus. This emphasizes that the maritime industry is a vital part of the world’s economy. Some 90% of the world trade is carried by ships or, more accurately, by the 1.7 million seafarers who work on the ships.

We thank the People of the Sea for their work, and our gratitude is transformed in our prayer that the Lord grants them strength in moments of weakness, unity in diversity, safe and smooth sailing and, at the end of their contract, happiness to be reunited with their loved ones.

There have been repeated appeals from international organizations (UN, IMO, ILO), unions, ship owners, and faith-based groups to recognize seafarers as “essential workers” so that crew changes are expedited, and vaccinations are prioritized. But very few countries have facilitated these movements and implemented a clear policy for seafarers’ vaccinations. This has exposed a deep contradiction in the maritime industry. One on hand, it is highly globalized but, on the other, seafarers’ rights and protection are fragmented between several players who are often not accountable to any higher regulation or authority.

Because of this pandemic, we would like to invite the maritime industry to learn to act as one by facilitating crew changes and vaccinations and strengthening the implementation of international standards to enhance and protect the human and working rights of the People of the Sea.

It was estimated that in September 2020 some 400,000 seafarers who ought to have been repatriated were in fact stranded at sea because of COVID-19. In some cases, seafarers have not been able to go home for 18 months. COVID-19 has exacerbated the working and living conditions of hundreds of thousands of seafarers who have been stranded at sea and required to work for many months longer than usual. This affects not only the seafarers themselves but also the daily lives of their families. The problems of isolation, loneliness, separation and anxiety about family and loved ones, thousands of miles away, together and uncertainty over their future, has increased the physical and psychological stress on board ships, sometime with tragic consequences.

We appeal to ships owners, management companies, agents and recruiters to regard crewmembers as more than “labour force” and remember that they are human beings. We urge the development of working practices, which are based on human dignity rather than profit, and so provide everything, which is necessary to improve the mental, physical and spiritual well-being of seafarers.

Since January 2021, 38 piracy incidents have been reported including 33 vessels boarded, two attempted attacks, two vessels fired upon, and one vessel hijacked. The number of reported piracy incidents may have decreased but violence against crew is increasing. These are sad reminders of the fragility of a maritime industry, which has already been tested by the pandemic. Seafarers have the right to perform their work without running the risk of being kidnapped, injured or even killed. Furthermore, piracy disrupts the global economy and the constant threat of danger and harm places considerable stress on seafarers and their families.

We request all governments and international organizations to determine long-lasting solutions to the scourge of piracy, mindful of the need to address the fundamental problem of the inequality in the distribution of goods between countries and the exploitation of natural resources. Moreover, ship-owners should adopt all requisite preventative measures to ensure the safety not only of ships and their cargo, but especially that of seafarers...

The number of shipwrecks and marine accidents is declining but one is too many, especially when seafarers are injured or die, go missing at sea or are unjustly criminalized and detained indefinitely. Sometimes these happens due to the forces of nature, but there are too many instances of negligence by those who prefer to prioritize profit over safety and security. Every tragedy results in families in despair, children without parents and nowhere to lay a flower and say a prayer. We lift our prayers to Mary Star of the Sea, to accompany those who are no longer with us to the safe harbour of heaven and comfort the devastated relatives and friends who are left behind.

Throughout the pandemic, Stella Maris chaplains and volunteers have always been at the service of seafarers and fishers. They are present in their lives, constantly adapt their ministry to changing circumstances and address seafarers’ spiritual and material needs.

We pray that all Stella Maris chaplains and volunteers continue to: “Be apostles faithful to the mission of proclaiming the Gospel, show the loving face of the Church which also welcomes and makes herself close to this portion of the People of God; respond without hesitation to maritime people who wait for you on board to appease the deep longing of their soul and make them feel active members of the community.” We entrust to Mary, Star of the Sea, the well-being of the People of the Sea, the commitment and dedication of chaplains and volunteers and we entreat Our Lady to continue protect us all from every danger, especially from COVID-19.”

Second collection – Stella Maris (the Apostleship of the Sea)

Today's second collection is for Stella Maris (Apostleship of the Sea), the Catholic Church's official maritime welfare agency. It supports seafarers both practically and spiritually. For an appeal talk from Bishop Paul Mason, and a video showing some of what Stella Maris does, please visit www.stellamaris.org.uk/SeaSunday

This collection is vital to enable Stella Maris to continue its important work. To donate, please visit www.stellamaris.org.uk/donate or text 'SEA' to 70460 to donate £5.

Stella Maris is dependent on voluntary donations, so please give generously. Thank you.

Father, in your mercy, accept the prayers we make for ourselves and our neighbours, especially those who work at sea. We make our prayer through Christ, our harbour of peace. Amen.

STELLA MARIS

Congratulations! After a wait of 12 months, the final group of children from last year's First Holy Communion group were finally able to receive this most blessed Sacrament on Saturday 10th July. They have shown a great keenness and patience throughout the programme so please keep them and their families in your prayers. Please pray too for the children from this year's group who made their First Reconciliation on Saturday afternoon as they begin the preparations for their First Holy Communion in the autumn. A huge thank you to our wonderful team of catechists who have continued to run both programmes for the two groups of children during the pandemic and maintained the children's energy and enthusiasm for these very special occasions in their journey of faith.

7pm Public Masses – Just a reminder that the 7pm masses at St Peter's are now open to the public again. No booking is required and livestreaming will continue to be available.

St. Swithun (-862) This week we celebrate one of our local saints, Swithun, Bishop of Winchester, as we mark a Solemnity in his honour. Little is known of St Swithun's life. Born in Wessex, his name is sometimes spelled 'Swithin'. He died on 2 July 862, though the Anglo-Saxon Chronicle says 861. He left orders that his body was not to be buried within the church but outside in a "vile and unworthy place".

Egbert, King of Wessex, chose Swithun as his chaplain and entrusted to him the education of his son Æthelwulf, who succeeded to the throne in 839. Æthelwulf appointed Swithun Bishop of Winchester in 852 and during the ten years of his episcopate he became famous for his charitable gifts and for his activity in the building of churches. He is reputed to have accompanied King Alfred to Rome in 856.

His body was moved from its almost unknown grave into the Old Minster at Winchester on 15 July 971, and this day became his feast-day. His transferral was preceded and followed by numerous miracles. His body was probably later split between a number of smaller shrines. His head was certainly detached and taken to Canterbury Cathedral, while one his arms found a resting place in Peterborough Abbey. His main shrine was transferred to the present (then new) Norman cathedral of Winchester in 1093. His remains were installed on a 'feretory platform' above and behind the high altar (the feretory chapel still exists). His shrine became a great focus for pilgrims, and the cathedral's retrochoir was built in the early 13th century to accommodate the large numbers of people wishing to visit his shrine and enter the 'holy hole' beneath him. His shrine was moved into the retrochoir in 1476. It was demolished in 1538 during the 'English Reformation', and a modern representation was placed on the site by the Dean and Chapter in 1962.

Coronavirus Latest Many of you will have heard the announcement from our Prime Minister this week regarding the proposed lifting of remaining restrictions on 19th July. Please be patient as we await further details and guidance. We will still need to carry out our own risk assessments to ensure that we are doing what we can to keep people safe and well. We hope to be in a position next weekend to share more with you.

Readers' rota – the new readers' rota is now available. If you would like a paper copy, please contact Michaela in the Parish Office.

PRAYER CORNER: Each week, this section will contain an intercession that I hope every parishioner will pray for during the coming week. In this way, we will all pray to the Lord for the parish's mission, because "if the Lord does not build... in vain do the builders labour" (Ps 127:1) **Fr. Mark**

This Week's Intention: Let us pray that, as we go out on our mission to help others hear the call of God, we may have faith in His wisdom and grace and do not get overwhelmed on the way.

PLEASE PRAY FOR the repose of the souls of those who have died recently:

This week's tip: If you are free on either a Tuesday or Saturday morning why not visit the Winchester Incredible Edible Community Allotment? You can find it in Edington Road just off Worthy Road. You will be able to see the range of produce they have grown and get tips for your own garden.

Let them know you are coming by emailing Food@Winacc.org.uk so that there will someone there to meet you.

Together, we really can make a difference.

Fancy a Summer walk to Alresford?

The Young Christian Climate Network (YCCN) is organising a walk from St Ives (G7 meeting in June) to Glasgow (International Climate Conference in November). But you only have to do one day's walk to be part of it!

A group of us from St Peter's is supporting this effort by walking on Sunday 25th July from Winchester Cathedral to Alresford.

This walk is being organised with Churches Together in Winchester for all ages. Lunch at Itchen Abbas. Bus back from Alresford.

If interested contact mshinn@stpeterswinchester.org.uk

SERVING THE PARISH THROUGH CHILDREN'S LITURGY: It has been a great joy to be able to serve our children through the provision of online Children's Liturgy during the last 18 months. We know many of our parishioners have missed seeing the children as much in church. We are looking forward to returning to Children's Liturgy in person from September and welcoming families back. Did you know anyone of any age can lead/help with Children's Liturgy (you do not have to have children attending it) and in fact the children benefit from hearing different people talk about their relationship with God? There are plenty of resources and anyone in the team will happily talk through their approach. Each of us find it a rewarding experience which deepens our own understanding of the Gospel and our relationships with God. The role is subject to the Diocesan Safeguarding Policy and requires an Enhanced DBS check and safeguarding training. If this is something you would like to be involved with from September at St Peter's, St Stephen's or St Gregory's please do contact Michaela in the Parish Office who will pass your information onto the relevant church lead.

Are you a member of our healthcare - NHS & Care - community?

If so, we do hope that you might be able to attend.....

On Saturday 24th July, between 12.30pm to 5pm, the Parish will be hosting an opportunity to say 'Welcome' and 'Thank You' to the members of our Parish who provide healthcare in and around Winchester.

You are invited to bring your own picnic food and light refreshments to the St Peters RC School grounds where we can meet, mix, give thanks and celebrate.

Address: Oliver's Battery Road, Winchester, SO22 4JB.

Further details will be provided as the restrictions imposed by the corona virus become clear, but for now please make a note in your diary.

If you would like to attend and for further information, please call the Parish Office on 01962 852804 or email hello@stpeterswinchester.org.uk

All being well...to celebrate the relaxation of the past year's restrictions and to start renewing and growing the strong relationship between the Anglican, Methodist and Catholic communities of Alresford and the surrounding villages, make a note in your diary to come to the Churches Together in Alresford picnic in the churchyard of St. John's on Sunday 25th July from 12 noon. Dear Parents

Message from St. Peter's School

Our Best Work Science

At St Peters, we aspire to develop all children's natural curiosity and love of science. We follow the Hampshire model of teaching and learning in science, which focuses on integrating working scientifically within an enquiry led curriculum. We provide the foundations for understanding the world through the specific disciplines of: biology, chemistry and physics. Instilling a sense of awe and wonder is at the heart of our curriculum to ensure children become lifelong learners with open minds to observe, predict and analyse the natural. They should be encouraged to understand how science can be used to explain what is occurring, predict how things will behave, and analyse causes.

The science curriculum aims to ensure that all pupils:

- develop scientific knowledge and conceptual understanding through the specific disciplines of biology, chemistry and physics
- develop understanding of the nature, processes and methods of science through different types of science enquiries that help them to answer scientific questions about the world around them

be equipped with the scientific knowledge required to understand the uses and implications of science, today and for the future.

"I like that we get to do lots of experiments and it's a way to find out new things. The experiments aren't really just 'look at it experiments' but they are hand on experiments." Matilda, Year 4

"My favourite topic was from when I was in Year 3. We learnt about different rocks and volcanoes." Kris, Year 5

"I like the variety of subjects that we do. I like the way we get to plan experiments but also don't always have to write everything down during them." Lily, Year 5

"We are learning about light; my favourite part was creating the colour spinners because the colours disappeared!" Archie, Year 3
