Fifth Sunday in Ordinary Time - Year B

Stop and Listen first

Father Mark writes:

In our Gospel this weekend, we hear how "the whole town" of Capernaum come to Jesus with all their needs. There is a queue going out the door of Peter's house of people just waiting to see Jesus, to be with him, near him, healed by him.

We are still in the first chapter of Mark's Gospel, the story has barely begun, and already Jesus has this incredibly successful and popular ministry in this town by the shore of Lake Galilee. Which is great but it also brings its own challenges. Because success brings its own demands. And Jesus had been very successful.

Here's what Jesus did ...

In the morning, long before dawn, Jesus got up and left the house, and went off to a lonely place and prayed there.

Mark 1:35

Before the day can overwhelm him, and the crowds return, Jesus gets away from everything and everyone in order to be with his heavenly Father.

We know that prayer was an important rhythm in Jesus' life. He regularly seeks guidance from his heavenly Father, anchoring his life in that relationship.

Meanwhile,

Simon and his companions set out in search of him, and when they found him they said, "Everybody is looking for you."

Mark 1:36-37

One translation tells us that they were "chasing after Jesus". Peter is maybe a little excited at how amazingly well Jesus is doing and perhaps can't understand why he's not back in Capernaum doing more healing.

Where have you been? What are doing out here? Everyone is looking for you?

The reality is that the world often doesn't understand or value the time we might carve out for prayer. Peter is the closest to Jesus and even he doesn't yet understand this.

Jesus told them,

"Let us go elsewhere to the neighbouring country towns so that I may preach there too, because that is why I came."

Jesus preaches and he heals. Jesus reaches more people because he doesn't get sucked into the demands of the immediate or the urgent. He listens instead to the voice of the Father.

In today's Gospel we get an insight into a

"day in the life of Jesus" and his priorities. He goes out to preach and heal: to share the Good News that this Lord whom they've been worshipping is a loving Father who hears their cries and wants to heal their wounds and cure their sicknesses by the power of his love and mercy.

This preaching and healing of Jesus – proclaiming the Gospel in word and deed – is rooted in prayer. Jesus needs to re-charge his batteries after a hard day's work. But, more than that, he needs to spend time listening to his Father. "What is on your heart for these people, dad?" "What would you like me to do today, abba?"

The world is competing for your attention and affection, your time/talent/treasure every day, in very many ways. Anchoring your day in prayer, listening to the Father, asking your loving God what should be the priorities of your day – all of this is crucial to living out the priorities of your life.

How? How should we anchor our day in prayer?

Just follow the template Jesus gives us in this story. It's all about **a time, a place and a plan**. To make it happen you need a time, a place, and a plan.

A time – Jesus got up very early to pray, before dawn. Just for the record, I don't get up before dawn to pray! I'm not a natural early morning person. But I've built prayer into the morning routine. I get up and dressed, go to the gym (it hurts less when my brain isn't fully functioning!), come back for breakfast and shower and then 8-9am is prayer time.

I pray at this time because the rest of the day doesn't stop – it's a little like a roller coaster, grabbing prayer as and when I get chance (a rosary here or an Angelus there, or an evening prayer in the car or the train or somewhere else) – until 9pm, which is when I start to unwind ready for Night Prayer and bed.

I encourage you to pick a time of the day you can protect, but also, where possible, a time you enjoy.

It could be with your morning coffee/commute;

It could be in the early evening when your working day is done; It could be at night before bedtime.

Set a *specific time* and a certain *amount* of time. If you are new to prayer do 5

Mark 1:38

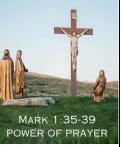

It certainly would have been a *good* thing for Jesus to go back to the town, but it wouldn't have been the *best* thing. It would have limited the growth of Jesus' ministry.

In prayer, Jesus spends time with his Father, listening to his Father. Then, in obedience to his Father, he decides that the priority for his day is to widen the reach of his preaching and teaching, travelling to yet more villages and towns in the region. The voice of the Father

tells him to move on because his message and his mission are going to be bigger than that one little town.

Notice what happens next...

And he went all through Galilee, preaching in their synagogues and casting out devils. Mark 1:39

to 6 minutes a day. Then move to 15 minutes, and so on and so forth...

A place – Jesus went to a deserted place. Now that is not always practical but, as best as you can, find a place in your house or near your house or office or train, that is, in a sense, *deserted*. A place where you can get away from texting and calls, and noise and interruptions too. (In case you didn't know, those with small children will find this incredibly difficult!) And keep going to that place because, as you return, it will become sacred space.

Then **a plan** – form a plan, a procedure for your prayer time, that is going to make it feel much more productive. You could simply take a bible and practice <u>Lectio Divina</u>. Or you could listen to a guided prayer exercise, through apps like <u>pray-as-you-go</u>. Over Lent we will be giving lots of suggestions during our daily messages for you to try and see what works.

Your heavenly Father wants you to share the Good News too – to bring hope and joy into the lives of those around you and to allow Jesus to bring them comfort and healing. So, you need to spend time listening to Him in prayer.

PRAYER CAMPAIGN – THE ALPHA COURSE

The new Alpha course will start from 7.30pm Tuesday 20th February 2024 in the Pastoral Centre at St Peter's.

For the next 3 weeks, we invite you to join us in praying daily for the course:

- for us as a parish, that God may give us the courage and boldness to invite people we know into this journey of discovering faith.
- for the team as they serve and walk alongside people.
- for the guests, that God may bless them and speak into their hearts.

There will be a basket near the sanctuary at St Peter's church where you can add the names of all those you would like to invite to partake in Alpha so that we can pray for them each day. Alternatively, text ALPHA PRAYER + name of person to 07887 997386 and we'll add their name to the basket.

To register to join the Alpha course, visit www.catholicwinchester.org.uk/alpha

Laudato Si Corner

2023 was affected by much higher temperatures, floods, storms and habitat destruction. Now is the time to take every step we can to reduce the damaging impact we are having on our planet.

Vatican City State has committed to reducing greenhouse gases to 20% below 2011 level by 2023, Portsmouth Diocese, and other dioceses in England, are working to reduce their impact. So what choices can we make? Check out the many websites with advice on this: examples of steps they recommend include:

Be energy efficient in your home,

Walk, cycle or use public transport as much as possible,

Recycle/re-use/repair as much as possible.

Heavenly Father, as our world is disrupted by climate change, inspire us with ways we can make a difference in our homes, church congregations, community, and the world to reduce our damaging impact on our Common Home.

Amen.

Message from St Peter's School: **Australia Day**

On 26th January, Year 2 at St Peter's joined many millions of Australians in celebrating Australia day. Our day was jam-packed with cultural learning related to our Geography topic - Australia.

In the morning we began with a costume parade and explained some of the special details about our outfits, some even had items from Australia! We then met Tali - the bearded dragon. Mrs Pestana kindly brought in her pet, Tali, and taught us about Tali's care and habitat. We then moved on to a video link with Gina and her family in Australia. Gina shared with us all the wildlife she sees when she cycles in the You Yang Mountains in Victoria, Australia. Many children had the opportunity to ask the family questions, especially about poisonous spiders and snakes!

After break, we prepared food for tasting. Fortunately, we had previously baked the Anzac biscuits which left only the pavlova, fairy bread and vegemite sandwiches to prepare. After lunch we had our taste test and recorded our findings. We think that fairy bread was by far the most delicious; however, many were surprised at how much they enjoyed their pavlovas. Thank you also to Mrs Drake for coming in to speak to us about her experiences growing up on the Eastern Coast of Australia.

3

We completed our day by making boomerangs decorated in an Aboriginal Art style and played Aussie party games, not to mention reading several fun Australian stories.

Thank you to everyone who helped to make our day special.

We currently have a vacancy for a Deputy Headteacher. Please see our website for further details: https://www.stpetershants.co.uk/vacancies/ If you have pre-school children and like the sound of St Peter's School, then why not contact us to find out about the application process? Parish Operations Manager – Message from Fr Mark

The parish has begun recruiting an "Operations Manager". This is a different and more senior role to the one previously filled by Michaela as Parish Administration Manager. We are looking for another "people person", capable of building and leading teams (paid employees and volunteers), not afraid to be hands-on, whilst supporting me in the day-to-day operational aspects of running the parish. They will be part of the parish leadership team and will play a key role in enabling me to focus on preaching, teaching, sacramental ministry and the pastoral and spiritual aspects of leadership. I cannot overstate how crucial I feel this role is to help me flourish as your parish priest, and you to flourish as my parishioners. Please do bring the post to the attention of those you know who might be interested and pray for a successful appointment.
