A Message from Fr Mark...

Extraordinary Eucharistic Miracles

A few years ago, I shared a little about Carlo Acutis, a young layman who was born on May 3, 1991, in London, England, and died on October 12, 2006, in Monza, Italy, succumbing to leukemia at the age of 15. Pope Francis beatified the millennial in 2020 in Assisi, where Blessed Carlo had made multiple pilgrimages and where his mortal remains rest. It has just been announced that Pope Francis has now cleared the path for his canonisation, following the recognition of a miracle related to a woman from Costa Rica.

Considered a computer geek by some of his peers, he dedicated himself to creating a website cataloguing each reported Eucharistic miracle in the world. You can visit the website [here](#).

Possibly the earliest extraordinary Eucharistic miracle is that of Lanciano, in Italy, which took place in the year 700. A monk who feared he was losing his vocation was celebrating Mass, and during the consecration the Host turned into flesh and the wine turned into blood. Despite the fact that the miracle took place almost 1300 years ago, you may still see the flesh in a monstrance which is exposed every day and the blood in a glass chalice.

The blood has congealed and is now in five clots in the glass chalice. In 1971 and 1981 a hospital laboratory tested the flesh and blood and discovered that the flesh is myocardium, which is heart muscular tissue, so we could say it is the heart of Jesus, the Sacred Heart, and the blood is of the blood group AB. In 1978 NASA scientists tested the blood on the Turin Shroud and interestingly also discovered that it is of the blood group AB.

(The Sudarium, Face Cloth of Christ, in John 20:6 is also of the blood group AB.) Despite the fact that human flesh and blood should not have remained preserved for 1300 years, the hospital lab tests found no trace of any preservatives. This Eucharistic miracle has been authenticated by the Church after investigation.

According to St. Thomas Aquinas, in the case of extraordinary Eucharistic Miracles in which the appearance of the accidents are altered, this further alteration is not considered to be transubstantiation, but is a subsequent miracle that takes place for the building up of faith.

Everyday Eucharistic Miracles

These extraordinary Eucharistic miracles can help us to see that in every Mass a miracle takes place, visible only to the "eyes of faith", that which St. Thomas Aquinas described as "the greatest miracle that Christ ever worked on earth". Jesus, the Risen Jesus, Our Lord, is made physically present to us, by the working of the Holy Spirit, under the guise of bread and wine, so that we may eat his body and drink his blood, and "gaze upon the one they have pierced". (c.f. John 19:37)

Corpus Christi

It was after another extraordinary Eucharistic miracle, that took place in Bolsena, also in Italy, that Pope Urban IV was prompted by this miracle to commission St. Thomas Aquinas to compose the liturgical prayers in honour of the Eucharist. One year after the miracle, in August of 1264, Pope Urban IV introduced the saint's compositions, and by means of a papal bull instituted the feast of Corpus Christi which we celebrate this weekend.

Let us also repeat St. Thomas Aquinas' prayer of devotion in the presence of the Blessed Sacrament:

"O Sacrament most holy! O Sacrament Divine! All praise and all thanksgiving be every moment Thine!"

Called and Gifted - What is God calling me to do in my Life?

Each of us is created uniquely by God, in our time and place, for a purpose. Called and Gifted is the discernment process that helps us unlock **our story**, understand **our gifts** (charisms) and discover **our unique mission**. It will help us know and understand the spiritual gifts God has given us thus enabling us to share them with those around us. Called and Gifted is firmly rooted in the teachings of the Catholic Church, in Scripture.

*If you want to discover what God is calling you to do in your life, join us for this 3-stage discernment process as we discover more about the most common charisms of the Holy Spirit and how they can be used to bring about **hope, healing and light**.*

We start on Saturday 22nd June 9am-5pm. For more details and to register, please click on the link: [Called-and-Gifted-2024](#) or visit: catholicwinchester.org.uk.

Laudato si' Corner

This week's Laudato si' Corner relates to issues that resonate with Pope Francis' encyclical Laudato si' some eight years ago. The encyclical set out the challenges associated with saving our planet from the Climate Crisis which threatens this gift given to us by God. Our Group aims to keep parishioners up-to-date with the latest information on the Climate Crisis and with ideas on how we can all respond to this Crisis. We welcome more parishioners joining our Group. You can contact the Parish Office who can put you in touch with our Group members.
