& THE WINCHESTER MARTYRS

WELCOME

Annual Parish Party 29th June 2025

On a warm June **Sunday**, after the 10:30am Mass to celebrate the Feast of Saints Peter & Paul — the patronal feast of our Parish, we came together for our Annual **St Peter's Parish Party** in the Churches Pastoral Centre and Gardens

Today we joyfully gathered as one family of St Peter and the Winchester Martyrs to celebrate our patronal feast—Ss Peter & Paul—and our cherished tradition of coming together in community around the 29th of June. ☀️🏛️
This year's celebration is extra special. Not only do we honour our saints, but we also rejoice in the beautiful diversity of our parish family! 💖✨
With God's grace, our unity shines through the vibrant cultures that make us who we are.

To mark this, we enjoyed cultural presentations from: 🇮🇳 Our Indian community with a spirited Goan dance
🌍 The African community showcasing a taste of Nigeria

🇺🇦 Our dedicated Ukrainian dancers

🇵🇭 And the joyful rhythm of our Filipino family

Each performance is a reflection of love, heritage, and unity—a little glimpse of what our centenary celebration will look like next year! Let's clap with grateful hearts and celebrate the gift of one another. 🎵👏

Here's to a parish that prays together, celebrates together, and grows together! 🏛️❤️
